

ALCE 2414: Identity and Inclusion in Agriculture and Life Sciences

An exhibition of student works

Opening reception: Thursday
September 5th, 4:30 - 6 p.m.

Through creative expression, students in ALCE 2414 examined some of the barriers to inclusion and diversity within the US food system. Come see their works and share your perspective in this interactive exhibit.

August 30 - November 22, 2019
Newman Library, 2nd floor
